The Professionals' Guide to Publishing

**Gill Davies
& Richard Balkwill**

The Professionals' Guide to Publishing is a practical introduction to working in the publishing industry. The authors provide a clear overview of its many functions, including editorial, production, sales and marketing; ensuring that the reader has a firm understanding of their responsibilities and how these departments work cross-functionally. Providing a thorough grounding in how publishing works including information on permissions and the current legal framework; they also examine new and enduring trends in publishing including; networking, supply chains and e-publishing.
